

Eplan Training Unlimited

Eplan training courses, peak flexibility: boost your teams' individual expertise

What is Eplan Training Unlimited?

With Eplan Training Unlimited, you have access to the full range of courses offered by the Eplan Training Academy. In addition, there are flexible online focus sessions, held three times a week for 4 hours each, which are exclusively for Training Unlimited users.

Choose the package that suits your needs:

- Class Pass with 12 months' full access for up to 10 team members
- All-In Company with 10 or 20 training days for any number of employees

For employees

Continuously deepen your Eplan knowledge with regular training courses and focus sessions. Book exactly the topics that are relevant to your own role, whenever you want.

For decision-makers

You provide a training budget; employees decide which courses to attend. Employee development is managed independently – with no red tape involved.

What's included in Eplan Training Unlimited?

These three modules round off your training programme.

Full Academy programme

Choose the courses your team currently needs from the full range of courses offered by the Eplan Training Academy.

Flexible booking

Plan training courses and focus sessions flexibly and individually to suit your team's needs.

Exclusive focus sessions

Benefit from interactive focus topics and best practices delivered directly by Eplan experts. Held three times a week online for 4 hours each.

Two booking models, complete flexibility

Choose the model that suits your team structure and your training needs.

Class Pass

The intensive model

Up to 10 employees receive 12 months' full access to all training courses and exclusive sessions. Ideal if you have a specific team that needs to gain in-depth knowledge of Eplan.

- Max. 10 participants
- 12-month term
- All training courses + focus sessions

All-In Company

The flexible model

Your company receives a daily quota that any number of employees can use. Perfect for large teams looking for flexible training.

- Unlimited number of participants
- 10 or 20-day quota
- All training courses + focus sessions
